

HOW TO WRITE YOUR OWN FUTURE OF FIXING CAPTION DIAGRAM:

These diagrams are a visual key to help describe the nature of the works exhibited on three levels.

- Who is it for
- How long is it for
- How available is the knowledge about it

Locate the dot along the lines between two extremes to indicate the specific project's qualities.

This guideline was created by FROM-NOW-ON for the Future of Fixing open source exhibition resource. Please refer to fixers.wikispaces.com for full information about how to curate your own Future of Fixing Exhibition and full Terms & Conditions.
