

FiXing ATtitudes

Manifestos are declarations of the intentions, motives, or views of the issuer, be it an individual, group, political party or government. <http://en.wikipedia.org/wiki/Manifesto>

Manifestos promote new ideas with prescriptive notions for carrying out changes.

Movements and communities use manifestos to set a vision into action. Fixing, repair, mending and straight on doing have been the subject of a growing number of groups setting out their agendas to assert their activism. In one way or another all the exhibits and activities in the Fixhub are applications of one of these manifestos and share the call for fixing attitudes.

The manifestos are:

1. REPAIR MANIFESTO

2. THE MAKER'S BILL OF RIGHTS

3. THE CULT OF DONE

Kształtowanie postaw

Kształtowanie postaw stanowi fundament wszelkiej zmiany.

Społeczności i inicjatywy korzystają z manifestów aby wprowadzać własne wizje w czyn. Naprawy, poprawy, renowacje czy proste działanie są dziś tematem wiodącym dla coraz większej liczby grup społecznych, które układając własne programy dają wyraz swej chęci projektowania i tworzenia.
